

TAYLOR BACON '19

A CBE major with a focus on sustainable energy, especially bioenergy!

Contact info: taylorb@princeton.edu

Major: Chemical and Biological Engineering

Certificates: Sustainable Energy, Technology & Society: Energy Track

Energy-related classes: *CHM 333*: Oil to Ozone, Chemistry of the Environment; ... *ENE 418*: Fundamentals of Biofuels; ... *CEE 207*: Introduction to Environmental Engineering; ... *HIS 295*: Making America: Technology and History in the US

Independent research topic: N/A

Research description: N/A

Extracurriculars: Princeton University Energy Association

Internship organization(s): Souder, Miller & Associates; The Climate Foundation

Internship focus: Environmental engineering (water & wastewater systems); sustainable tech development (aquaculture)
